

Motorhome owners,

choose natural sites and discover the best the French countryside has to offer...

All over France, friends welcome you to stay overnight

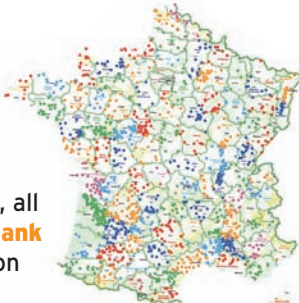

Safe and peaceful stopovers in all the regions of France... meet passionate people, taste and enjoy...

Try authentic local produce... olive oil, cheese, wine from all the wine-growing regions of France, organic fruit and vegetables, cured meats, honey, duck liver pâté...

The concept is simple : all over France farmers and wine-growers invite you to stopover **freely** on their property, day or night, for up to 24hrs.

Each host signs an invitation **for one year**, reserved exclusively for **France Passion members travelling in a self-sufficient motorhome** (water, waste, rubbish).

To use this extraordinary stopover network, all that is required is to **say "Hello" and "Thank you"** and to have the current France Passion Guide.
